

Due to the sensitivity and time pressures involved in airfreight, Malektarabar Co. develops comprehensive airfreight service plans tailored to meet our customers' specific requirements. This is accomplished by learning our customers' exact objectives with regards to their internal and external requirements

Sensitive and valuable goods are often subject to extreme time pressures and deadlines for everyone involved. Therefore, our airfreight department develops a customized service plan for each customer, then implements our required Operational Handling Procedure to ensure high quality service.

Our team of professionals will follow through on each and every shipment and our customers can be assured of up-to-the-minute status reports on all import and export shipments at all times.

For oversize transportation by air, we provide professional know-how related to the handling of charter planes including complete door to door delivery logistics.

Malektarabar airfreight services offer all types of transport options, including:

- Import/Export consolidation
- Assembly and distribution
- Complete Logistics Programs (warehousing, documentation, handling)
- Split and full charter
- Sea/Air service
- Customs clearance
- Pick-up and delivery service
- " Door to Door" services
- Hazardous cargo transportation
- Packing and crating

Best Regards
